La Stracasa è la sensazione di sentirsi totalmente a casa, un luogo  
dell'anima dove l'appartenenza si vive in purezza.

Così "La Stracasa" è diventata Punta Tragara per chi l'ha vissuta,  
abitata, ricordata.

Ed è da questa sensazione che nasce questa carta, nel desiderio di  
trasformare la miscelazione in esperienza.

Le origini della luce all'alba che bacia per prima la villa, l'intuizione di  
Vismara, la visione di Corbusier, la baia e il profumo del glicine.

Don the Beachcomber pioniere del tiki, Eisenhower allora generale di  
guerra e Churchill con whisky e sigaro,  
osservarono i Faraglioni dalle loro camere.

Slim Aarons con i suoi scatti, mentre il Conte Manfredi trasformò la villa  
nell'icona del lusso caprese.

Infine all'interno della casa, quei gesti semplici – un pranzo della  
domenica, un caffè dalla moka – creano ricordi senza tempo.

Perchè alcuni luoghi si attraversano, altri diventano casa.

Stracasa is the feeling of being totally at home, a place of the soul where  
belonging is experienced in purity.

Then "La Stracasa" became Punta Tragara for those who lived there,  
inhabited and remembered it. And it is from this feeling that this card is  
born, with the desire to transform mixing into an experience.

The origins of the light at dawn that first kisses the villa, Vismara's  
intuition, Corbusier's vision, the bay and the scent of wisteria.

Don the Beachcomber tiki pioneer, Eisenhower then a war general and  
Churchill with whiskey and cigar,  
observed the Faraglioni from their rooms.

Slim Aarons with his shots, while Count Manfredi transformed the villa  
into an icon of Capri luxury.

Finally, inside the home, those simple gestures—a Sunday lunch, a  
coffee from the moka pot—create timeless memories.

Because some places are crossed, others become home.
